Sir,

Subject - Construction of the Municipal Office at Belakavadi.

Adverting to Government Order No L 6642-4/M1 102-42-68 dated 6-1-43 sanctioning an additional grant of Rs 556/- towards the construction of the Municipal Office at Belakavadi, I have the honour to state that the Executive Engineer, Mandya Division in his letter No 685 dated 16-10-43 addressed to the Superintending Engineer, Mysore Circle (copy enclosed) has intimated that there will be a further excess of Rs 190/- over the estimated cost of Rs 4,356/- He has requested that the excess sum may be credited to 17(a) P W Deposits

On a reference made to the President, Belarvadi, in the matter, he has stated that as no provision has been made in the current year's budget, the expenditure has to be met out of the closing balance The closing balance as reported by the President is Rs 1,036/-

As the matter is of an urgent nature, I have issued instructions to the President, Belakavadi Municipality to credit the amount Rs 190 to 17(a) P W Deposits I request you kindly to obtain sanction of Government to the proposal of the President to meet the expenditure out of the closing balance and to ratify my action in having issued instructions to meet the expenditure out of the closing balance

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Mandya District

Re Construction of Municipal Office building at Belakavadi

With reference to your letter No 4393 dated 18-9-43, regarding the above, I have the honour to state that fresh quotations were called for the above work and the last date fixed was 11-10-43 Two quotations were received from the following contractors

		Amount quoted
1	M/s B S Anantharam	25% more than estimated rates
2	K N Narasimhachar	20% more than estimated rates

P T O

The tender of Mr B C Anantharam is not valid as he has produced a Mysore Bank cheque for Rs 190/- to arde earnest money - instead of a chellan for having credited the amount Sore over his quotation is higher than that of Mr K N Narasimhachar the cheque received is returned to the Contractor Hence I recommend that - the quotation of Mr K N Narasimhachar which is 20% more than estimated rates may kindly be approved

Mr K N Narasimhachar is the previous tendered contactor who had quoted 15% more than estimated rates according to his rates a revised estimate for Rs 4,356/- was prepared and sanctioned in - your No 17693 dated 11-5-43 As the site for construction of the building was handed over to the contractor about 9 months after - his previous tendered date, he refused to work at those rates The previous tender was accordingly cancelled as per your letter No - 4393 dated 18-9-43 Now the lowest quotation is of the same contractor The estimate for Rs 4,356/- includes an excess of 15% - over the previous estimated amounts of Rs.3,789/- According to this tender, there will be a further excess of 5% or Rs 190/- The estimate will have to be revised to Rs 4,546/- A contribution of Rs 4,356/- has already been received for the work The Deputy Commissioner, Mandya District has also been addressed for placing the extra amount of Rs 190/- at the disposal of this Division

The two quotations are herewith submitted for favour of your kind reference and return after done with
